

The start of something new...

Brewery Dilewyns is a young family owned brewery arisen from the passion for beer of founder Vincent Dilewyns and his four daughters. In 2005 the first Vicaris beers were born. After 5 successful years, family Dilewyns started their own ultra-modern brewery in Dendermonde.

Today, the brewery is led by Vincent and two of his daughters, Anne-Cathérine and Claire Dilewyns. The family brewery brews five beers: Vicaris Tripel, Vicaris Generaal, Vicaris Winter, Vicaris Tripel/Gueuze and Vicaris Quinto.

First and foremost, quality

All Vicaris beers are brewed 100% naturally, unfiltered, not centrifuged and not pasteurized. The best ingredients have been selected to brew this high quality beer. Beers of high fermentation with secondary fermentation in bottle and barrel.

Vicaris Quinto

5 Vol. % Alc.

Quinto or 'fifth' in Italian, refers to the fifth Vicaris beer, the percentage of alcohol and the Italian brewing equipment.

Vicaris Quinto is a top fermented, bottle conditioned golden blond beer. Based on the recipe of Vicaris Tripel it has the same softness and openness. The beer has a rich aroma, creamy head and only 5 Vol % Alc.

Vicaris Tripel

8,5 Vol. % Alc.

Vicaris Tripel is an elegantly balanced soft beer with a fruity touch. The beer is neither bitter nor too sweet. This makes it accessible for each beer lover. The wonderful after taste results from a rich hop and malt taste.

Vicaris Tripel was the first beer of brewery Dilewyns and forms the basis for the other beers.

Vicaris Generaal

8,5 Vol. % Alc.

Vicaris Generaal is a red brownish beer with a beautifully tinted creamy head. This Generaal with an evolution of taste is a beer for trained beer lovers who prefer a hearty dark beer.

Vicaris Generaal has a pronounced character thanks to the use of several hops and roasted malt.

Vicaris Winter

10 Vol. % Alc.

Vicaris Winter is a dark brown beer with a wide taste palette. The winter beer is the only Vicaris beer with spices other than hops. The extra spices provide the warm mouthfeel during cold and cozy winter evenings.

Vicaris Winter is only available in the winter (for as long as stocks last).

Vicaris Tripel/Gueuze

7 Vol. % Alc.

Vicaris Tripel/Gueuze is a complex combination of Vicaris Tripel and gueuze. The fruity and soft characteristics are derived of Vicaris Tripel. The beer gets its fresh and subtle sourness from the gueuze.

Vicaris Tripel/Gueuze is only available in the summer (for as long as stocks last).
